Sir:

Pursuant to 37 C.F.R. 1.137(b), Applicants respectfully request that the Notice of Abandonment for the above-referenced application be withdrawn. Applicants submitted a Petition under 37 C.F.R. 1.47 (a) due to a non-signing inventor, Matt Luntz. This Petition was dismissed by the Office of Petitions for failing to comply with the requirements of 37 C.F.R. 1.47 (a). Within the allowed time frame, Applicants submitted a Request for Consideration on July 23, 2004. On May 19, 2006, the Office of Petitions granted the Petition. On May 18, 2006, the US Patent Office issued a Notice of Abandonment for failing to receive a reply to the Notice to File Missing Parts. In light of the pending Request for Consideration and the subsequent grant of this request, Applicants respectfully submit that the Notice of Abandonment was inadvertently mailed to the Applicants' representative and request that the abandonment be removed and the case be allowed to pass to substantive examination.
